

Water System Operator

Hiring Agency: City of Barwick, Georgia

Full Time

JOB DESCRIPTION

JOB TITLE: Water System Operator

DEPARTMENT: Utility

SUPERVISOR: Utility Supervisor

SUMMARY:

Responsible for the daily operation and maintenance of all aspects of the city's Water System as assigned.

ESSENTIAL DUTIES:

1. Inspect equipment on a regular basis
2. Monitor operating conditions, meters, and gauges
3. Collect and perform basic water sample testing
4. Record meter and gauge readings and operational data
5. Document and report test results to regulatory agencies
6. Follow U.S. Environmental Protection Agency (EPA) and Georgia Environmental Protection Department regulations
7. Ensure safety standards are met
8. Perform additional duties as directed

SKILLS AND ABILITIES:

1. Preferred Water Operator IV certified
2. If not Water Operator IV qualified, demonstrate some experience in water operations and be able to achieve the qualification within one year of hire date
3. Ability to perform duties involving prolonged standing, sitting, crouching, and/or stooping
4. Ability to push, pull, and position tools, equipment, and structural material weighing in excess of 100 pounds
5. Ability to lift loads weighing up to 100 pounds
6. Ability to work on smooth or uneven surfaces and under varying climatic conditions
7. Ability to work with small components
8. Ability to operate assigned equipment and vehicles.

OTHER REQUIREMENTS:

1. High school diploma or equivalent
2. Possession of a valid driver's license with the State of Georgia
3. Work weekends

COMPENSATION:

Pay depends on qualifications.

APPLYING:
